

The 1st International Conference
**Strengthening
Emergency Care
Iraq**

22 – 23 | Oct | 2025
Mansour Hotel – Baghdad, Iraq

DAY 1

Main LATTER			HALL A			HALL B		
08:00 AM to 09:00 AM – Registration			Registration of Conference Participants and Speakers and Get-Together					
9:00 to 9:45 AM Opening Ceremony	VIP Speaker 1 - 10 mins		Minister of Health Iraq - Dr Saleh Mehdi Al-Hasnawi					
	VIP Speaker 2 - 10 mins		MoH OEMS Directorate - Dr. Fadil Aqla Bonyan					
	VIP Speaker 3 - 10 mins		WHO Country Representative - Dr Jamela Al Raiby					
	VIP Speaker 4 - 10 mins		ICRC HoD - Ikhtiyar Aslanov					
09:45 AM to 10:30 AM – Break								
10:15 AM – 12:00 PM Plenary Session 1: Emergency Care Systems Framework Implementation in Iraq	Plenary Speaker 1 A - 10:30 to 10:50		WHO Emergency Care Coordinator - Prof. Dr. Lee Wallis					
	Plenary Speaker 1 B - 10:50 to 11:10		IFEM President - Dr Saleh Fares					
	Plenary Speaker 1 C - 11:10 to 11:30		ICRC ED HQ GVA Metier- Dr Alexander Ingles					
	Plenary Speaker 1 D - 11:30 to 11:50		ICRC EM Specialist /MoH EM Head - Dr Srihari Cattamanchi / Dr Marwan Zachariya					
12:00 PM to 01:00 PM – Break								
Lunch Break and Exhibit								
01:00 PM to 02:30 PM Topic 1: Triage System Implementation "Evidence-Based Triage Systems for Iraqi EDs"	Speaker 1 A - 01:00 to 01:15 pm	ITT Triage Tool Implementation	01:00 PM to 02:00 PM Topic 4: Strengthening EMS Ambulance Services in Iraq - Seamless Pre-Hospital to Hospital Care Transitions	Speaker 4 A	Current state of EMS in Iraq	01:00 PM to 02:00 PM Topic 7: System to provide MHPSS Care in the ED	Speaker 7A	Systemic Approach to a Sexual Abuse Survivor in the ED.
	Speaker 1 B - 01:15 to 01:30 pm	Overcoming Triage Implementation Barriers		Speaker 4 B	Call for Accreditation and Licensing of EMS Ambulance Providers		Speaker 7 B	Dealing with a patient with MHPSS needs in the ED
	Speaker 1 C - 01:30 to 01:45 pm	Regional - Experience implementing ITT Triage in ED		Speaker 4 C	EMS Regulation Bill with minimum standards for EMS Ambulance Services in Iraq.		Speaker 7 C	Helping the Helpers to support ER Staff with Trauma
	Speaker 1 D - 01:45 to 02:00 pm	Regional - Experience implementing ITT Triage in ED		Speaker 4 D	EMS Services in MENA Region		Speaker 7 D	MENA - Regional experience implementing
02:10 PM to 02:30 PM – Break								
Coffee Break and Exhibit								
02:30 PM – 03:30 PM Topic 2: ED Infrastructure Minimum Standards Implementation - "ICRC-MoH Aligned ED Design and Specifications"	Speaker 2 A - 02:30 to 02:45	Resuscitation Area Setup and Equipment Standards	02:30 PM – 03:30 PM Topic 5: Accreditation of EMS Education and training and Licensing of EMS providers	Speaker 5 A	New Cadres of EMS Providers in Iraq, their scope of practice and License to Practise.	02:30 PM – 03:30 PM Topic 8: Accreditation of Emergency Nursing Education and training and Licensing of ER Nurses	Speaker 8 A	New Cadres of ER Nursing in the ED in Iraq, their scope of practice and License to Practise.
	Speaker 2 B - 02:45 to 03:00	Infrastructure, Equipment, and Supply Standards		Speaker 5 B	Standardized EMS Education for the new cadres of EMS Providers within MoH and MoHE for EMS Providers in Iraq and recognition or National accreditation of the Training Institutions.		Speaker 8 B	Standardised ER Nursing Education/nurses working in the ED within MoH and MoHE in Iraq, and recognition or National accreditation of the Training institutions.
	Speaker 2 C - 03:00 to 03:15	Human Resources and Staffing Standards		Speaker 5 C	Recognition and Accreditation of EMS provider Education in Iraq		Speaker 8 C	Recognition and Accreditation of ER Nursing education in Iraq
	Speaker 2 D - 03:15 to 03:30	MENA - Regional experience in developing & implementing ED infrastructure with minimal standard in their country.		Speaker 5 D	MENA - Regional experience in developing and capacity building EMS responders in their country.		Speaker 8 D	MENA - Regional experience in developing and capacity building ER Nurses in their country.
03:40 PM – 04:50 PM Topic 3: Accreditation of EDs and Quality Control of Emergency Department in Iraq	Speaker 3 A - 03:40 to 03:55	MoH OEMS Directorate as the accreditation body and implementation of Emergency Department Accreditation Program in Iraq	03:40 PM – 04:50 PM Topic 6: Minimum Standards in EMS Ambulance Services	Speaker 6 A	Infrastructure, Equipment, and Supply Standards within EMS Services	03:40 PM – 04:50 PM Topic 9: Sponsors slot Scientific Talk	Speaker 9 A	Scientific Talk - speaker nominated by Sponsor
	Speaker 3 B - 03:55 to 04:10	Need for implementation of Quality control indicator in EM in daily practice in ED in Iraq		Speaker 6 B	Human Resources and Staffing Standards among EMS responders		Speaker 9 B	Scientific Talk - speaker nominated by Sponsor
	Speaker 3 C - 04:10 to 04:25	Need for Specialisation (Fellowship programs) in Emergency Medicine in Iraq.		Speaker 6 C	Ambulance minimum standards, and protocols		Speaker 9 C	Scientific Talk - speaker nominated by Sponsor
	Speaker 3 D - 04:25 to 04:40	MENA - Experience in implementing accreditation process and accreditation of ED in their country in the region.		Speaker 6 D	Regional experience in developing and implementing minimal standards for EMS services in their country.		Speaker 9D	Scientific Talk - speaker nominated by Sponsor
5:00 PM			End of Day 1					

ICRC

DAY 2

Main Latter			HALL A			HALL B		
08:00 AM to 09:00 AM - Registration			Registration of Conference Participants and Speakers and Get-Together					
09:00 AM to 09:45 AM Topic 10: "BEC Course as a way forward to strengthening Health staff in the ED and improving quality of care provided in the ED"	Speaker 10 A	MoH - Gap in emergency care in IQ and BEC empowering the emergency care health workforce	11:30 AM to 12:30 PM Topic 14: Patient Flow Management and Overcrowding Solutions - "Evidence-Based Strategies for ED Flow Optimization"	Speaker 14 A	MoH - Patient flow currently in Iraq ED	03:30 PM - 04:30 PM Topic 18: Sponsors slot Scientific Talk	Speaker 18 A	Scientific Talk - speaker nominated by Sponsor
	Speaker 10 B	ICRC - MoH to adopt as an urgent need BEC as a minimum requirement for all health care staff joining the MoH workforce		Speaker 14 B	Nicole - Patient Flow Pathway Design and Implementation		Speaker 18 B	Scientific Talk - speaker nominated by Sponsor
	Speaker 10 C	Jordan - BEC as a way forward for all Medical and nursing college curriculum to improve emergency care in Jordan		Speaker 14 C	Alessandro - Experience improving patient flow in ED at Najaf, Iraq		Speaker 18 C	Scientific Talk - speaker nominated by Sponsor
				Speaker 14 D	Srihari - Global Experience improving patient flow in ED		Speaker 18 D	Scientific Talk - speaker nominated by Sponsor
09:45 AM to 10:15 AM			Break Coffee Break and Exhibit					
10:15 AM - 11:30 AM Plenary Session 2: Combating Violence Against Healthcare Workers: Building Safe EDs	Plenary Speaker 2 A		MoH - Understand the scope and impact of violence in Iraqi EDs - MoH					
	Plenary Speaker 2 B		WHO - "WHO Framework for Preventing Violence Against Health Workers"- WHO Colleagues					
	Plenary Speaker 2 C		ICRC - "Protecting Healthcare in Conflict: Global Initiatives"- Eve - ICRC Health Coordinator					
	Plenary Speaker 2 C		HCID Expert - Addressing risks of violence against Healthcare workers - Ana Elisa Barber					
11:30 AM to 12:30 PM Topic 11: Healthcare Worker Safety and Security - "Implementing Comprehensive Violence Prevention Programs"	Speaker 11 A	Creating Safe Working Environments in the EDs	01:30 PM - 02:30 PM Topic 15: EMS Communication and Dispatch Systems	Speaker 15 A	Universal emergency call number implementation	09:00 AM to 09:45 AM Topic 19: Documentation Systems and Information - Management "Digital Health Integration for Emergency Care"	Speaker 19 A	Documentation Standards in the Emergency Department.
	Speaker 11 B	MoH COMM - Public Awareness and Community Engagement Strategies to reduce violence against healthcare staff		Speaker 15 B	Dispatch protocol standardization		Speaker 19 B	Electronic Medical records (EMR) system implementation
	Speaker 11 C	Addressing violence against Prehospital Care providers and creating a safe community to work		Speaker 15 C	Performance monitoring and quality improvement		Speaker 19 C	MSF - Experience in implementing critical documentation in the ED, and EMR system in their hospital in Mosul, Iraq
	Speaker 11 D	De-escalation Training to Healthcare staff to reduce tense environment		Speaker 15 D	MENA - Regional experience in developing and implementing Dispatch systems.		Speaker 19 D	MENA - Regional experience in implementing critical documentation in the ED, and EMR system in their hospital
12:30 PM to 01:30 PM			Break Lunch Break and Exhibit					
01:30 PM - 02:30 PM Topic 12: Emergency Department Overcrowding Solutions "From Overcrowding to Optimal Flow"	Speaker 12 A	Overcrowding Management and Capacity Optimisation	03:00 PM - 04:00 PM Topic 16: Emergency Care Systems framework - "Continuum of care from field to ED".	Speaker 16 A	EMS Pre-notification and Communication System	01:30 PM - 02:30 PM Topic 20: Mass Gathering Preparedness and Response	Speaker 20 A	MoH preparedness and Response to Mass
	Speaker 12 B	Implementing 'One Patient-One Attender' Policy		Speaker 16 B	Referral Pathway - EMS to ED Transfer / Handover / Referral Pathways		Speaker 20 B	Fadi - MoH Mass Gathering preparedness and Response to Arbaahiyi Pilgrimage
	Speaker 12 C	Utilising Family physicians to establish an Urgent care Clinic in the ED to address Overcrowding		Speaker 16 C	MENA - Regional experience in implementing EMS pre-notification system and ED-EMS interface.		Speaker 20 C	ICRC - Coordinating and working closely in tandem with the MoH in Emergency Preparedness and Response
	Speaker 12 D	MENA - ED overcrowding management strategies and patient flow optimization		Speaker 16 D	MENA - Regional experience in implementing EMS pre-notification system and ED-EMS interface.			
02:30 PM to 03:00 PM - Break			Coffee Break and Exhibit					
03:00 PM - 04:00 PM Topic 13: Hospital, Legal and Security Protection to Stop Violence against Healthcare Staff.	Speaker 13 A	Expert - Hospital Committee on Stop Violence Against Healthcare Staff	09:00 AM to 09:45 AM Topic 17: Documentation Systems and Information Management in EMS.	Speaker 17 A	Documentation Standards in EMS Services	03:00 PM - 04:00 PM Topic 21: Emergency Preparedness and Response	Speaker 21 A	WHO Type 1 EMT planning and preparedness
	Speaker 13 B	MoH - Legal and Security (police) protection and responsibilities in protecting Healthcare Staff against Violence - Current status and reforms needed		Speaker 17 B	Electronic Patient Care Records (e-PCR) system introduction and		Speaker 21 B	MoH Preparedness for Emergency Medical Team (EMT) - Type 1 Team
	Speaker 13 C	Incident documentation (not criminal - only complaint. The limit of healthstaff)		Speaker 17 C	MENA - Regional experience in implementing EMS pre-notification system and ED-EMS interface.		Speaker 21 C	MoH - Communication and Networking with national and international organisations in Emergency Preparedness and Response
	Speaker 13 D	MENA - Experience in protecting Healthcare Staff in their EDs against Violence.		Speaker 17 D	MENA - Regional experience in implementing EMS pre-notification system and ED-EMS interface.		Speaker 21 D	MENA - Regional experience in establishing EMT Type 1 teams
04:00 PM to 04:30 PM			Closing Ceremony					
4:30 PM			End of Day 2
